### Local Insights

#### The Largest Bamboo Construction in Vietnam

Location: Grand World Phu Quoc  
Distance from our resort: 3 mins  
How to get there: Resort's complimentary scheduled shuttle bus, taxi, buggy  
For assistance, please reach out to our Concierge team.

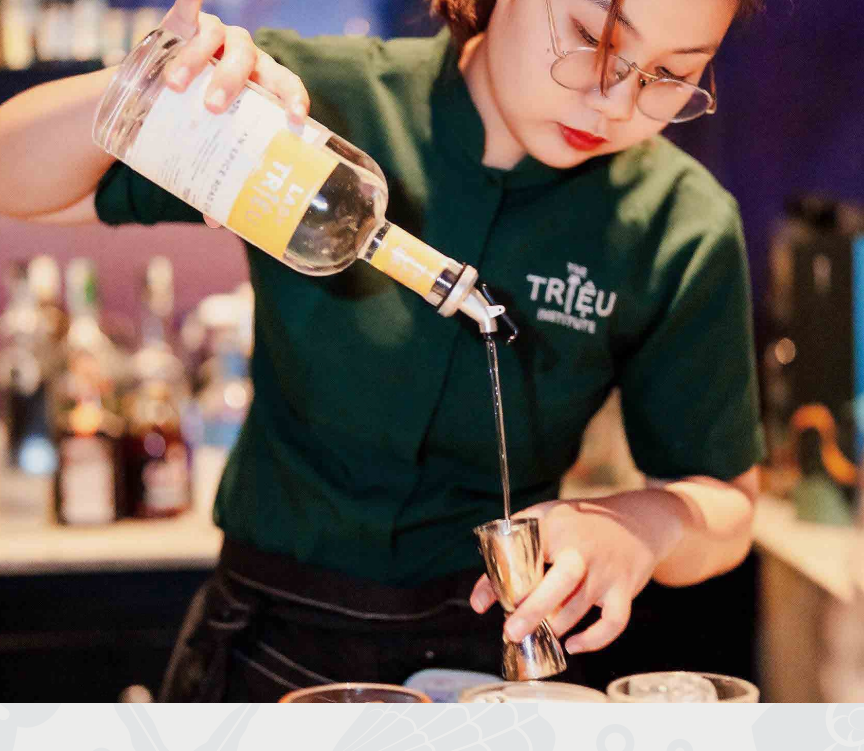

Inspired by the image of a sturdy bamboo tree – a strong symbol in the folklore of the ancient Vietnamese. The project makes a special impression in the hearts of customers with the stylized roof architecture and the curved arch frame made entirely of bamboo. Many visitors who check-in every time they come here love the giant "Bamboo Legend".

### Travel Tips

Approximate average temperature during the months of March to May:

- While credit cards are a popular choice nowadays, having some cash on hand can be quite useful and convenient while travelling the island.
- Make sure to apply sunscreen while enjoying the warm and energising island sunshine.
- With our island weather, we recommend lightweight and comfortable clothing.
